Product Benefits

Critical Illness Benefit

If the Insured is diagnosed with any of the covered Critical Illnesses (except Angioplasty & Other Invasive Treatment for Coronary Artery*), we will pay the insured amount of this supplementary benefit. We will also pay applicable bonuses of your basic policy (if any). The Insured Amount of your basic policy will be reduced by the insured amount of this supplementary benefit accordingly. Any benefits subsequently payable under the policy and any future premiums will be payable based on the reduced Insured Amount.

Besides other underwriting limits applicable to this plan, this benefit is also subject to the Critical Illness per life limit of S\$3,000,000 (aggregated with other policies or supplementary benefits issued on the same life). For policies issued in other currencies, a conversion rate as determined by the company will apply.

The Critical Illnesses[^] covered under this supplementary benefit, are:

1) Alzheimer's Disease/ Severe Dementia	16) Irreversible Loss of Speech
2) Angioplasty & Other Invasive Treatment for Coronary Artery*	17) Major Burns
3) Benign Brain Tumour	18) Major Cancer
4) Blindness (Irreversible Loss of Sight)	19) Major Head Trauma
5) Coma	20) Major Organ / Bone Marrow Transplantation
6) Coronary Artery By-pass Surgery	21) Motor Neurone Disease
7) Deafness (Irreversible Loss of Hearing)	22) Multiple Sclerosis
8) End Stage Kidney Failure	23) Muscular Dystrophy

[^] The Life Insurance Association Singapore (LIA) has standard Definitions for 37 severe-stage Critical Illnesses (Version 2024). These Critical Illnesses fall under Version 2024. You may refer to www.lia.org.sg for the standard Definitions (Version 2024).

* The only exception arises if the Insured undergoes Angioplasty & Other Invasive Treatments for Coronary Artery; we will pay 10% of the insured amount of this supplementary benefit (subject to a maximum of S\$25,000). We will also pay applicable terminal bonus of your basic policy (if any). Such benefit for Angioplasty & Other Invasive Treatment for Coronary Artery is payable once during the term of the supplementary benefit and shall automatically cease upon such payment. After such a payment, the insured amount of this supplementary benefit will be reduced by such payment paid.

You are advised to read the supplementary agreement for the definitions (including exclusions) of the above Critical Illnesses.

Key Product Provisions

The following are some key provisions found in the supplementary agreement of this supplementary benefit. This is only a brief summary and you are advised to refer to the actual terms and conditions in the supplementary agreement.

1) Premium

The premium payment term of this supplementary benefit shall follow the premium paying term of your basic policy to which this supplementary benefit is attached to. Premium rates are not guaranteed. We may revise the premium rates but we will not do so on an individual basis. The premium rates may be adjusted based on future experience and any changes or amendments to the laws and regulations of Singapore (including but not limited to tax laws and regulations).

2) Waiting Period

We will not pay any benefits for Heart Attack of Specified Severity, Major Cancer, Coronary Artery By-pass Surgery or Angioplasty & Other Invasive Treatment for Coronary Artery if the date of diagnosis of the Heart Attack of Specified Severity, Major Cancer or the date of diagnosis of any conditions leading to performance of Coronary Artery By-pass Surgery or Angioplasty & Other Invasive Treatment for Coronary Artery to the Insured was made within 90 days from the later of:

- (a) the issue date of your basic policy or this supplementary benefit, whichever is later; or
- (b) the reinstatement date of your basic policy or this supplementary benefit, whichever is later.

3) General Exclusions

There are certain conditions under which no benefits will be payable. These are stated as “exclusions” in the policy contract. The categories of exclusions that are common to all life insurers relate to:

- Suicide **within one year** (for Death benefit)
- Self-inflicted injury (for Total & Permanent Disability benefit)
- A waiting period (for Critical Illness benefit, if applicable)
- Pre-existing medical conditions (for Critical Illness benefit, if applicable)

In addition to the above common categories of exclusions, life insurers may impose other exclusions. You are advised to read the policy contract for the full list of exclusions.

Other than the Waiting Period stated in section 2) above and the exclusions related to each Critical Illness which are stated in the supplementary agreement, we will not pay for the Critical Illness benefit caused directly or indirectly, wholly or partially, by any of the following occurrences under the supplementary benefit:

- (a) illnesses or surgical procedures other than a diagnosis of a Critical Illness, or performance of a surgical procedure under a Critical Illness in this supplementary benefit;
- (b) pre-existing illnesses, diseases, impairments or conditions from which the Insured was suffering prior to the issue date or reinstatement date of this supplementary benefit, whichever is later, unless a declaration was made in the application for, or reinstatement of, this supplementary benefit and such application was specifically accepted by us;
- (c) if the Insured is diagnosed with a Critical Illness or has undergone a surgical procedure specified under this supplementary benefit before age six (6), and such Critical Illness is directly or indirectly due to any congenital defect or condition;

- (d) where the diagnosis of Fulminant Hepatitis or Major Cancer of the Insured was, in our opinion, directly or indirectly due to an Acquired Immunodeficiency Syndrome (AIDS) or infection by any Human Immunodeficiency Virus (HIV); or
- (e) deliberate acts that endanger oneself, whether sane or insane, including any of the following:
 - (i) violation or attempted violation of the law or resistance to arrest; or
 - (ii) suicide or attempted suicide, intentional self-injury or exposure to exceptional danger (except in an attempt to save human life).

The definitions of the exclusions are stated in the supplementary agreement. Please refer to the supplementary agreement.

4) Termination

This supplementary benefit shall automatically terminate on the earliest occurrence of the following:

- (a) if any premium for this supplementary benefit remains unpaid at the end of the grace period;
- (b) if your basic policy is terminated;
- (c) if your basic policy is converted to a reduced paid-up or an extended term insurance;
- (d) upon the diagnosis of a Critical Illness or undergoing of surgical procedure for a Critical Illness covered in this supplementary benefit (except for Angioplasty & Other Invasive Treatment for Coronary Artery); or
- (e) our receipt of your written request to terminate this supplementary benefit.

The payment or acceptance of any premium subsequent to termination of this supplementary benefit should not create any liability for us.

Important Notes

All insurance applications are subject to our underwriting and acceptance. Submission of an application and payment of premium does not constitute and should not be construed as acceptance by us. We reserve the right to withdraw the plan or reject applications, at anytime or for any reason without notice.

This product summary does not form a part of any contract of insurance. It is intended only to be a simplified description of the product features applicable to this supplementary benefit and is not exhaustive. The contents of this product summary may vary from the terms of cover eventually issued. Please refer to the actual supplementary agreement for all terms and conditions, including exclusions whereby the benefits under your policy may not be paid out. You are advised to read the supplementary agreement. For the avoidance of doubt, only the terms and conditions as set out in the supplementary agreement will bind the parties.

Buying a life insurance policy can be a long-term commitment. You should consider carefully before terminating the policy or switching to a new one as there may be disadvantages in doing so. The new policy may cost more or have fewer benefits at the same cost. Buying health insurance products that are not suitable for you may impact your ability to finance your future healthcare needs.
